Profile / www.abhijeetsinha.in

He is a Technocrat, currently, the National ***Program Director*** of Ease of Doing Business (EoDB), heading India's premier and only privately held emerging tech-piloting agency. He has been actively contributing since 12 years into micro-level tech economies across Indian states and economic sectors in the macro tech-o-nomic vision of PM Modi through his Pilot Projects.

His role in changing the landscape of micro – economies and building new global markets for Bharat has silently turned many of his Tech-Pilots as a constituent of Viksit Bharat National Masterplan 2047 like National Highway for EV, Ease of Living, Cultural Economy, Arthashastra 2.0, Drones Pilot, Digital Health Pilot - DIISHA, Climate Financing and Driving Score for all. Known for technocratic contributions in overarching architect of IndiaTechADE 2020-30, $ 5Trillion Economy.

He was previously a member of 2014 PM Modi's campaign in the 'Citizen for Accountable Governance' (CAG) team ***in Gujarat*** and campaigned for #MaibhiChowkidar in 2019 and 'Viksit Bharat' in 2024 elections.

He has been appointed as the ***Technical Committee Member*** to chair and moderate Future Mobility deliberations at India Energy Week 2026 and 2027 under the patronage of the Ministry of Petroleum and Natural Gas, Govt. of India.
